

FOOD AND BEVERAGE SALES AND SAMPLING FORM

Spectra at The RP Funding Center reserves the right to control the sale and/or sampling of food or beverages; unless previously approved in writing. You must meet the following requirements in order to be approved:

- a. Food and Beverage samples must not exceed 2 ounce by weight or volume.
- b. Food or beverage items for sale must be pre-packaged in such quantities as to be solely intended for home consumption. Each individual package must be equal to or greater than 2 pounds by weight or 32 ounces by volume unless otherwise approved by Spectra.
- c. Any items sampled for intended consumption on the show floor must be
 1. Approved in writing by Spectra
 2. May be subject to a buyout fee at the discretion of Spectra
- d. Exhibitors participating in the Food/Beverage program must adhere to policies and recommendations set forth by the Florida Department of Health.
- e. Exhibitors wishing to give out samples of beer, wine or other alcoholic beverages must comply with the Florida Division of Alcoholic Beverages and Tobacco regulations. These operators must provide Spectra with an appropriate license for this type of sampling.
